Stop Work Orders

Stop Work Orders

The construction industry plays an important role in our fight against dengue. NEA urges the construction industry to play its part to curb dengue transmission and protect their workers and residents around their work sites against dengue. Construction sites are of particular concern as they can easily become the foci of dengue transmission.

NEA takes stringent action against errant contractors at construction sites found to be poorly maintained, favourable for mosquito breeding and / or breeding mosquitoes.

Enforcement actions including Stop Work Orders (SWO) and prosecutions in Court would be taken against such sites. During the Stop Work Order, only corrective actions are permitted. The contractor is also required to review the effectiveness of sanitation and vector control programmes within the site. The order will only be lifted when the measures have been completed to the satisfaction of NEA.

List of Sites Issued with Stop Work Orders (SWO)

The listing provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission, in writing. NEA endeavours to ensure that the information herein is accurate at the time of publishing.

The information provided in this listing is accurate as at 06 Dec 2019

Name of Company	Project Location	SWO Status	Date of Issuance	Date of Lifting
Shimizu Corporation	Lot 00051K TS30 at 79 Robinson Road	Lifted	13/11/2019	18/11/2019
Chan Rong Fen Building Construction Pte Ltd	Lots 03514A & 08734P MK05 at Clementi Avenue 3	Lifted	21/10/2019	30/10/2019
